

IMMEDIATE POSITION AVAILABLE

Where: Cluster V Special Education Cooperative: 7 districts with main office located in Sabinal, Texas

Position: Reading Instruction Specialist

Reports to: Director of Special Education for Cluster V

Contract: 12 month

An experienced reading instruction specialist to provide direct reading instruction training and on-going support to elementary and secondary special education and dyslexia teachers in Cluster 5.

Candidates must have

- Certifications in elementary and/or secondary education
- Certification in Special Education
- Reading specialist certification
- Evidence of training in dyslexia
- Minimum of five to ten years of experience teaching reading/dyslexia instruction in elementary grades (PK-5)
- Knowledge of special education, 504 and dyslexia compliance requirements
- Knowledge of training/staff development techniques

The successful candidate will possess proven skills in

- teaching phonics,
- dyslexia assessment
- developing instructional programs for older struggling readers
- training and guiding teachers in teaching reading

This position requires a highly organized professional educator who is comfortable traveling between seven districts and working with diverse student and staff populations.
